

# PRESENTS & PINES

Design by Denise Russart of Justquiltin'

Featuring the *All Is Bright* collection by Hoffman California Fabrics

Quilt size: 70" X 84"

H8805 8G  
Green Gold

H8805 33G  
Cream Gold

H8803 161G  
Christmas Gold

H8805 78G  
Scarlet Gold

H8805 60G  
Hunter Gold

H8803 60G  
Hunter Gold

H8801 4G  
Black Gold

H8800 213G  
Onyx Gold

H8802 4G  
Black Gold

# Presents and Pines

Featuring the All is Bright Collection by Hoffman Fabrics  
 Quilt Design by Denise M. Russart of Justquiltin

70" x 84"

## Yardage

\* includes binding

Fabric A	H8800 Onyx Gold #213G	3/8 yd	Fabric G	H8804 Onyx Gold #213G	1/8 yd
Fabric B	H8801 Onyx Gold #213G	3/8 yd	Fabric H	H8805 Hunter Gold #60G	3/4 yd
Fabric C	H8803 Christmas Gold #161G	3/8 yd	Fabric I	H8805 Moss Gold #98G	1 yd
Fabric D	H8803 Hunter Gold #60G	3/8 yd	Fabric J	H8802 Black Gold #4G	1+5/8 yd
Fabric E	H8804 Green Gold #8G	1/2 yd	Fabric K	H8805 Cream Gold #33G	2 yd
Fabric F	H8805 Scarlet Gold #78G*	2+1/8 yd	Backing	Coordinate of your choice	5+1/4 yd

Read all instructions before starting. All seam allowances are a scant 1/4". All strips are cut across Width of Fabric ("WOF"). Mark pieces as indicated in cutting chart with letter/number combination to aid in assembly. Press seams to darker fabric.

## Cutting Chart:

## Mark A's

Fabric A: Cut one strip 10.5" x WOF Subcut strip into three 10.5" squares	A1
Fabric B: Cut one strip 10.5" x WOF Subcut strip into three 10.5" squares	B1
Fabric C: Cut one strip 10.5" x WOF Subcut strip into two 10.5" squares	C1
Fabric D: Cut one strip 10.5" x WOF Subcut strip into two 10.5" squares	D1
Fabric E: Cut five strips 2.5" x WOF Subcut eighty 2.5" squares	E1
Fabric F: Cut two strips 12.5" x WOF Subcut forty 12.5" x 1.5" pieces Cut five strips 4.5" x WOF Subcut eighty 4.5" x 2.5" pieces Cut nine 2.5" by WOF strips	F1 F2 Binding
Fabric G: Cut one strip 3.25" x WOF Subcut ten 3.25" x 3.5" pieces	G1

## Cutting Chart:

## Mark A's

Fabric H: Cut one strip 7.5" x WOF Subcut ten 7.5" x 4.0"	H1
Cut one strip 12.5" x WOF Subcut ten 12.5" x 4.0"	H2
Cut two strips 1.5" x WOF Subcut forty 1.5" squares	H3
Fabric I: Cut one strip 10.0" x WOF Subcut ten 10.0" x 3" pieces	I1
Cut eight strips 2.5" x WOF	Border 1
Fabric J: Cut Nine strips 5.5" x WOF	Border 2
Fabric K: Cut ten strips 2.5" x WOF Subcut 160 2.5" squares	K1
Cut two strips 6-5/8" x WOF Subcut twenty 6-5/8" x 4" pieces	K2
Cut two strips 4.25" x WOF Subcut twenty 4.25" x 3" pieces	K3
Cut two strips 4.0" x WOF Subcut twenty 4.0" squares	K4
Cut two strips 5.0" x WOF Subcut twenty 5.0" x 3.25" pieces	K5

### **Piecing Instructions for "Presents" blocks:**

Flying Geese Section: Draw diagonal line on back of all K1 squares. Place one K1 square right sides together on left side of F2 piece. Sew on diagonal line from lower left to upper center of rectangle. Press corner out and trim excess layers. Repeat with second K1 square sewing from upper center down to lower right. Press and trim layers. Repeat with all K1/F2 pieces to make 80 flying geese sections.

Sew one E1 piece between two flying geese sections. Make 20 with the "stripe" of design running vertical from top to bottom as shown at right. To the section just made, add another E1 piece to right and left with vertical "stripe."

Now sew one E1 piece between two flying geese sections with "stripe" aligned horizontally (this will keep "stripe" going in same direction throughout the block). Make 20.

Sew geese sections just made with horizontal stripe to left and right side of all A1, B1, C1 and D1 pieces.

Add remaining flying geese sections to top and bottom of A1, B1, C1 and D1 pieces

### **Piecing Instructions for "Pines" blocks:**

All three sections of the pine tree "greenery" are made in the same basic way, similar to making flying geese. Starting with the top section of the pine tree, lay out two K2 pieces wrong side up (tan color in diagram at right represents the wrong side of these strips facing up). With the 4" edge of K2 at the top, use a ruler with a 45 degree line on it to draw line shown in diagram at left by aligning the 45 degree line along the top cut edge of K2 (left tan piece in the diagram) and align the corner of the ruler to meet the top right corner of that K2 piece. Draw a diagonal line from lower left to upper right. Flip the ruler and repeat this process on the strip at right in the diagram by aligning corner of ruler at upper left corner of K2 piece and 45 degree line along top, drawing line from upper left to lower right. This will give you two mirror image angles. So in directions below where it states to mark "mirror image angles" you will repeat the steps above to make pairs of mirror image 45 degree lines on the back of your background pieces.

Now finish marking all your K2 mirror image angles. (You will have 10 "pairs" of pieces with mirror image angles).

Next lay an H1 piece face up in front of you and place one pair of K2 pieces right sides together ("RST") on top so that your 45 degree angles match the image at left. Stitch on the 45 degree diagonal lines. Press and trim excess layers. Repeat for all remaining H1 pieces (see image at right.) Make 10.

Mark mirror image angles on all K3 pieces (10 "pairs"). The 3" edge should be at top when marking angles. Stitch these in same manner as previous step to all H1 pieces. (This is the second section from top of tree.) Make 10.

Draw diagonal line across back of all K4 squares. Place these RST on H2 pieces sewing angles the same as previous tree sections so they are mirror images. This is the lower section of the tree. Make 10.

To make the tree trunk, stitch a G1 piece between two K5 pieces.

To complete the tree, sew the four sections made above to each other, pressing seams toward top of tree. See diagram at left.

For tree block sashing, stitch a F1 piece to right and left side of all tree blocks.

Stitch a H3 square to both edges of each remaining F1 strip. Sew these sections to top and bottom of tree blocks. See diagram at right.

Following the cover photo of quilt for reference as to location of the different print "present" blocks, lay out blocks in five rows of four blocks. Stitch blocks into rows and stitch rows together.

**Border 1:** Make four border strips, each strip composed of two of your Fabric I 2.5" strips joined end to end or on 45 degree diagonal. Cut two of these border strips to measure 70.5" long. Stitch these to left and right of quilt. Cut remaining two strips 60.5" long and attach to top and bottom of quilt.

**Border 2:** Join five of the Fabric J border strips into one long strip. Cut this strip into two sections 74.5" long. Attach to left and right side of quilt.

Stitch remaining Fabric J border strips into two sections, each two strips long. Cut each of these border strips 70.5" long and attach to top and bottom of quilt.

**Binding:** Sew binding strips together on short edge using a 45 degree seamline to make double fold binding.

**Backing:** Cut backing fabric into two pieces, each 2-5/8 yards (90.5") long, and seam on the long vertical edge.

Layer, quilt as desired, bind and enjoy!
