Disclaimers

This pattern is provided as a courtesy to quilt stores, catalogs, and quilters. Michael Miller Fabrics, LLC is not responsible for the accuracy of any kits packaged to accompany this pattern. Please direct any inquiries to the kit maker.

Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.

While every attempt has been made to give accurate measurements, yardage requirements, and construction directions; this does not allow personal variations in measuring, cutting, and or sewing. The enclosed directions were used in the construction of the original quilt.

Directions

Step One:

This step will use DC4613_Pink. First of all cut two strips - 5 1/2" x width of fabric for outer borders. Then open fabric flat and identify design repeat lengthwise - which is 12 1/2". Cut a strip the width of the pattern repeat. Then cut a second strip exactly the same. Now look at the design repeat crosswise. Identify the design at the right side of your strip and find the same pattern as you travel left on the strip. Cut exactly to match the design edge. You should now have 4 design sections to line up exactly in a stack. Use pins to line the designs up exactly on your cutting mat. Finish up all cutting before you move the fabrics!!! Square up the ends and the top and bottom. Cut two 5 1/2" strips.

Cut into 5 1/2" squares. Cut on the diagonal once and these stacks of 4 will be used in the double pinwheel block. Keep them in stacks until ready to sew.

REPEAT WITH DC4613_WHITE.

Step Two:

Cut nine 6" squares from DC4610_Lime. Then cut the squares on the diagonal twice. Repeat with solid white fabric.

See diagram for placement for double pinwheel blocks.

Step Three:

Sew double pinwheel blocks 3 across by 3 down - alternating pink background fabric and white background fabric. 9 blocks will be used in this quilt.

Step Four:

Cut four strips 1 1/2" x width of fabric for inner border. Measure sides, cut to that dimension, and sew in place. Repeat for the top and the bottom. Cut four strips 2" x width of fabric, sewing end to end for French Fold Binding.

Step Five:

Attach outer borders referring to quilt photo - 2 sides with layer quilt top, batting and backing - and quilt as desired.

Bind and enjoy the finished quilt!!
