APRON

1. Following the Cutting Diagram for the apron, cut (1) apron piece from the Mixed Vegetables fabric.
NOTE: The measurements at the top of the apron diagram are to help create the curve.

2. Place Red Pepper fabric right side up. Fold (1) side over 8" and cut the tie pieces and pockets from the double layered section. Cut the bottom band piece from the single layer section.

3. Fold one tie piece in half lengthwise with the wrong sides together. Stitch along one long side and one short side using a 1/4" seam allowance. Turn right side out and press. Repeat with remaining tie pieces.

4. Fold the Bottom Band together lengthwise, wrong sides together, baste the top and side raw edges together.

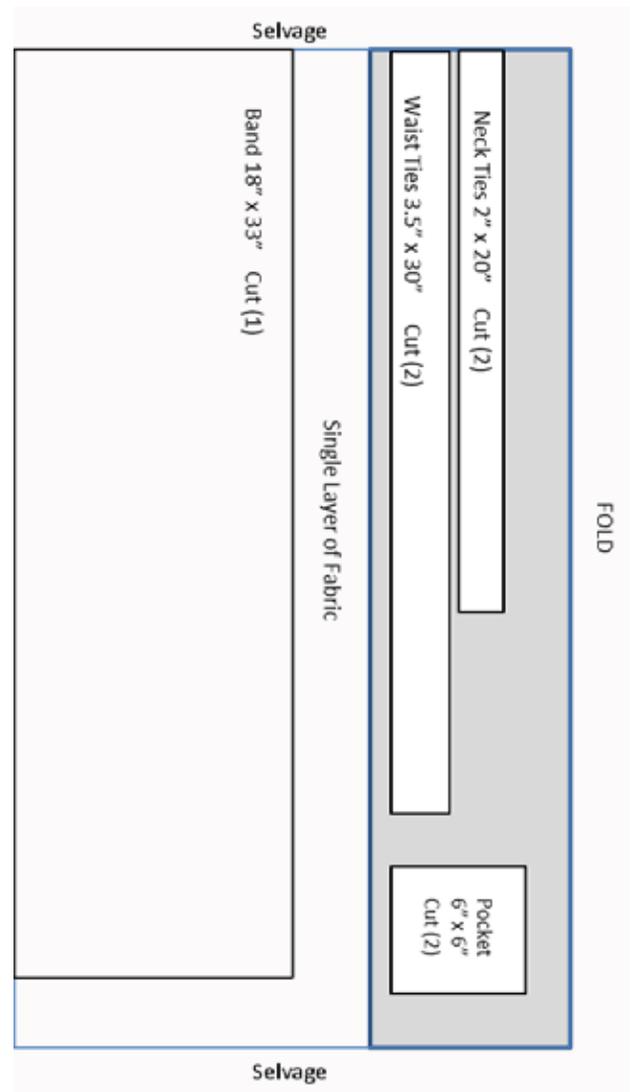

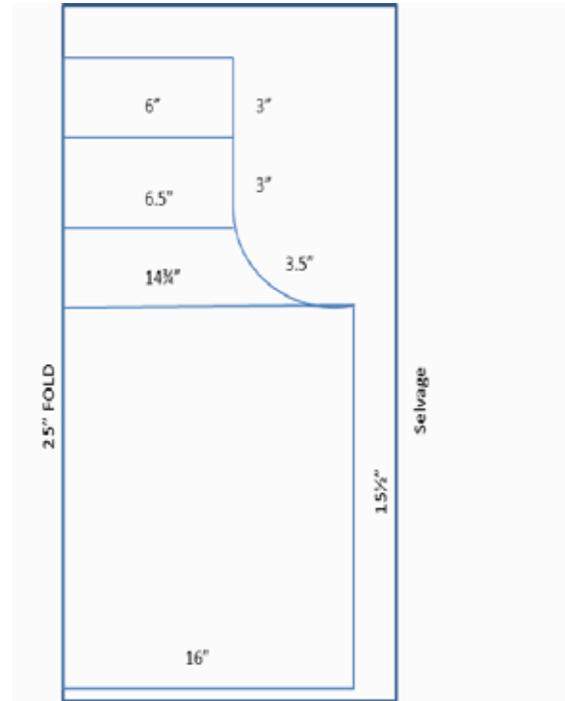

5. Stitch the long raw edge of the band to the apron bottom. Press flat towards the apron and top stitch 1/8" from the seam.

6. Hem the apron top and sides: press the sides 1/4" to the wrong side and press 1/4" again. Stitch close to the pressed edge. Repeat with the sides and top of the apron.

7. Press top of pocket to wrong side 1/4" and then 1/2" again. Topstitch. Press sides and bottom of pocket to wrong side 1/4". Pin to apron in desired place. Topstitch to apron. Repeat with second pocket.

8. Pin the waist tie to the top waist edge of the apron, wrong sides together, 1/4" from the edge. Stitch in place. Fold the waist tie back out the line just stitched and stitch in place on the edge of the apron. The raw edges of the tie will be encased in the second seam. Repeat with remaining waist tie.

9. Following the above sewing method attach the neck ties to the top corners of the apron.
