bottom of the center panel. Cut one from
each strip. This leaves enough length on
each strip for side borders.

Construct the side borders by
piecing a $47\frac{3}{4}$ " long fairy strip to a $47\frac{3}{4}$ "
long rose strip.

Fairies feet (the pink side) face the rose strip.

Repeat to make a second side border.

Piece the side borders to the panel. The rose side of the border is sewn to the center panel. Piece a blue ribbon scroll block to each side of the top and bottom borders.

Piece borders onto quilt.

Layer backing batting and quilt top. Quilt all layers. Bind.

Seam one end and side of pillowcase. Press $\frac{1}{2}$ " of opening side to the wrong side. Pin up hem $3\frac{1}{2}$ " and hem opening, sewing close to the fold on the $\frac{1}{2}$ " turned up side.
