Assembly

Refer to the Quilt Photo for color selection in steps 1-5.

1. Fussy cut the **Fabric 1** panel to measure 23 1/2" x 35 1/2".
2. Cut 4 **Fabric 2** strips 4 1/2" wide by width of fabric. Subcut into 2 strips 4 1/2" x 31 1/2" and 2 strips 4 1/2" x 35 1/2". Sew the longer strips to the sides of the panel and then the shorter strips to the top and bottom of the panel. Press seams away from the center and trim excess at each end.

3. Cut 4 **Fabric 3** strips 2" wide by width of fabric. Subcut into 2 strips 2" x 34 1/2" and 2 strips 2" x 43 1/2". Sew the longer strips to the long sides of the quilt top. Press seams away from the center and trim excess at each end. Sew the shorter strips to the top and bottom. Press and trim as before.

4. From **Fabric 4**: Cut 2 strips 2" x width of fabric. Subcut 12, 2" squares and 4, 2" x 6" pieces.

5. From **Fabric 5**: Cut 4, 2" x width of fabric strips; subcut 1 strip into 14, 2" squares, subcut 1 strip into 2, 2" x 21 1/2" strips and trim 2 strips to measure 2" x 32".

Sew the Fabric 4 and Fabric 5 squares alternately together to make 4 segments of 6 squares each. Sew a 2" x 6" Fabric 4 piece to the Fabric 5 end of one segment, and a 2" x 32" Fabric 5 strip to the other end to make one border strip. Make 2 strips. Noting placement, align the Fabric 4 end of one strip to the upper left corner and sew to the long side of the quilt top. Press the seam away from the center and trim excess from the Fabric 5 end. Repeat on the other long side of the quilt top noting reverse placement of the border strip.

In the same manner, make 2 more border strips by sewing each of the 2 remaining segments between a 2" x 6" Fabric 4 piece and a 2" x 21 1/2" Fabric 5 piece. Sew a 2" Fabric 5 square to the Fabric 4 end of each strip. Noting placement, align the Fabric 5 square end to each designated corner, then sew these strips to the top and bottom of the quilt top. Press and trim as before.

5. From **Fabric 6**, cut 5, 4 1/2" x width of fabric strips. Sew the short ends together to make one long strip. Subcut into 2 strips 4 1/2" x 45 1/2" and 2 strips 4 1/2" x 49 1/2". Sew the longer strips to the sides of the quilt top, easing in if necessary. Trim any excess at each end. Sew the shorter strips to the top and bottom.

6. From **Fabric 4**, cut 6, 2 1/4" x width of fabric strips. Sew the strips short ends together to make one long strip and bind.
