Quilt by Deb Mosa

Finished Quilt Approximately: 38" x 38"

Arctic Foxes fabrics by Exclusively Quilters - Style #3827

**Fabric Requirements:** Based on 44" wide fabric

One **Arctic Foxes** panel (#60226-2)

1-1/8 yards trees (#60228-2)

1 yard navy snowflakes (#60230-22)

2/3 yard blue snowflakes (#60230-25)

1-1/2 yards fabric for backing (#60228-2 suggested)

42" x 42" quilt batting

An added 1/8 to 1/2 yard is added to all yardages to account for shrinkage, straightening, cutting errors and prints that may require special cutting to get the best results.

You should protect your investment in time and fabric by making sample blocks before cutting into your fabric because Exclusively Quilters will take no responsibility for replacing fabrics.

Shops who wish to kit this design are responsible for figuring yardage for their kits if they wish to reduce yardages.

**Cutting Directions:** All measurements based on a 1/4" seam allowance.

From the **Arctic Foxes** panel:

Trim "windows" panel to 20-1/2" square

From the **trees** fabric:

Cut two 2-1/4" x *length of fabric* strips (parallel to the selvage)

Cut two 2" x *length of fabric* strips (parallel to the selvage)

Cut four 2-1/4" x *remaining width of fabric*

Cut two 2" x *remaining width of fabric*

From the **navy snowflakes** fabric:

Cut four 2-1/2" x 44" strips for binding

Cut four 2" x 44" strips for border

Cut four 1-3/4" x 44" strips for border

From the **blue snowflakes** fabric:

Cut four 3-1/2" x 44" strips for border

## Sewing Directions:

1. Stitch the 2" x *length of fabric* trees strips to right and left sides of trimmed panel. Press and trim excess from these and all successive border additions. Add the 2" x *remaining width of fabric* trees strips to top and bottom of panel.
2. Sew 1-3/4" x 44" navy snowflake strips to right and left sides of quilt, then to top and bottom.
3. Add 3-1/2" blue snowflake border in the same manner as the navy snowflake border.
4. Sew the 2-1/4" x *length of fabric* trees strips to right and left sides of quilt. Make two borders, each with two 2-1/4" x *remaining width of fabric* strips sewn together end-to-end. Add these borders to the top and bottom of quilt.
5. Add a 2" navy snowflake border in the same manner as the first navy snowflake border.

## Finishing

1. Layer the backing, batting and quilt top. Quilt or tie as desired.
2. Prepare binding from four 2-1/2" x 44" navy snowflake strips. Sew strips together into one long binding strip. Press strip in half lengthwise.
3. Carefully trim backing and batting even with quilt top.
4. Leaving an 8" tail of binding, sew binding to top of quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" from where you started. Lay both loose ends of binding flat along quilt edge. Where these two loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding together right sides together. Trim seam to 1/4" and press open. Finish sewing binding to quilt.
5. Turn binding to back of quilt and blind stitch in place.
