Directions

Prior to starting this project, please check our web site for any updates: www.clothworkstextiles.com.

Butterfly Block - Finished Size: 8" x 8"

1. Draw a diagonal line on the wrong side of a 3½" White Organic square. Place this square on the right top corner of a 4½" x 3½" Multi Color Bird rectangle and sew on the drawn line. Trim the seam allowance to within ¼" of the seam, press. Repeat this time putting the 3½" White Organic square on the top left corner of the rectangle. Then sew the two units together to create the top. Repeat this step to make a total of eighteen (three of each color combination) using the 3½" White Organic squares and the 4½" x 3½" rectangles of Multi Color Bird, Cream, Black, Aqua, Green and Pink Butterfly Toss.
2. Draw a diagonal line on the wrong side of a 2" White Organic square. Place this square on top of a 2" Green Triangles square and sew on the drawn line. Trim the seam allowance and press. Repeat to make thirty-six (six of each color combination) using the remaining 2" White Organic squares and the 2" Purple Glitter, Green Triangles, Orange Glitter, Blue Triangles, Purple/Blue Dot and Pink Dot.
3. Place the Green Triangle/White Organic unit you completed in step 2 on the bottom left corner of a 4" x 3½" Multi Color Bird rectangle, sew across it diagonally (draw a line on the wrong side if that will help you), trim and press. Draw a diagonal line on a 1½" Green Triangle square and place it on the bottom right corner and sew on the line, trim and press. Repeat this step reversing the placement of the unit from step 2 and the 1½" Green Triangle square. Then sew the two units you just completed on the right and left side of a 1½" x 3½" Black Dot rectangle. Repeat to make eighteen (three of each color combination) using the 4" x 3½" Multi Color Bird, Cream, Black, Aqua, Green and Pink Butterfly Toss.
4. Draw a diagonal line on the wrong side of a 2½" White Organic square and place it on the right corner of a 4½" x 2½" Purple/Blue Dot rectangle and sew across it on the drawn line, trim and press. Repeat this time putting the 2½" White Organic square on the left side of a 4½" x 2½" Purple/Blue Dot rectangle. Then sew the two units together to create the bottom section. Repeat to make eighteen (three of each color combination) using the remaining 2½" White Organic squares and the 4½" x 2½" Purple Glitter, Purple/Blue Dot, Orange Glitter, Green Triangles, Blue Triangles and Pink Dot.
5. Layout the top, middle and bottom of the butterflies, referring to the color photo. Sew the sections together, press. Using black embroidery floss, embroider antennas onto each butterfly using a stem stitch or another stitch of your choice.

Putting It Together

1. Referring to the color photo, layout the butterfly blocks and 8½" square Multi Bird/Floral squares as shown. Sew the units into rows, pressing each row in the opposite direction then sew the rows together.
2. Sew the 1½" x WOF Multi Bird/Floral strips end to end to make one long strip. Sew this strip to the right side of the quilt top, press and trim excess. Repeat on the left, top and bottom of the quilt.
3. Repeat step 2 using the 1½" x WOF Purple Triangle strips.
4. Repeat step 2 using the 6½" x WOF Aqua Bird/Floral strips.
5. Layer quilt top, batting and backing and quilt as desired. Add binding to the quilt
