

Passion Quilt

Indigo Dreams

Designer: Georgie Gerl

67" x 88"

material list

Backing 5½ yards

Batting 75" x 96"

Cut strips as indicated in chart then cut smaller pieces listed from these strips.

If "Fussy Cutting" Fabric E, G & H pieces extra fabric may be needed depending on motif selection and fabric repeat.

Passion Quilt
Indigo Dream and Rising Sun

Designer: Georgie Gerl

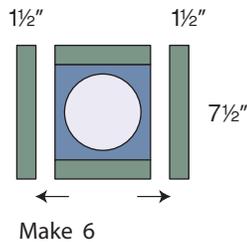

Let's Begin

Before you begin read all instructions. Referring to project Cutting Chart, cut First Cuts strips as indicated in chart then cut smaller pieces listed under Next Cuts from these strips. Use a 1/4"-wide accurate seam allowance and assembly line method to construct this quilt. Press seams in direction of arrows as indicated in each diagram.

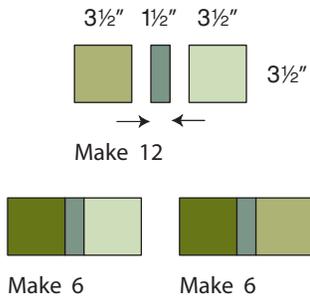

Making the Patchwork Block

This quilt consist of three different shades of green in the Indigo Dream quilt and three different blues in the Rising Sun quilt for Fabric D patchwork block background, refer to layout and step diagrams to make the blocks noting light, medium, and dark fabric placements, each block uses four of each shade.

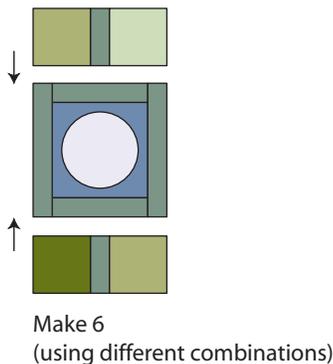

1. Sew one 5 1/2" Fabric B square between two 1 1/2" x 5 1/2" Fabric C strips. Press seams toward Fabric C. Sew this unit between two 1 1/2" x 7 1/2" Fabric C strips as shown. Press. Make six.

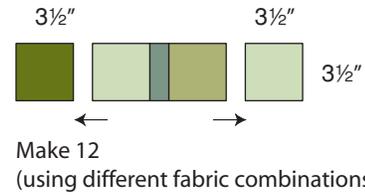

2. Sew one 1 1/2" x 3 1/2" Fabric C piece between two different 3 1/2" Fabric D squares as shown. Make twelve using medium and light green squares, six using dark and light green squares, and six using dark and medium green squares.

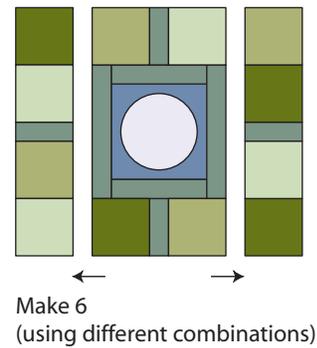

3. Referring to layout, sew one unit from step 1 between two different units from step 2 as shown. Press. Make six using different green combinations.

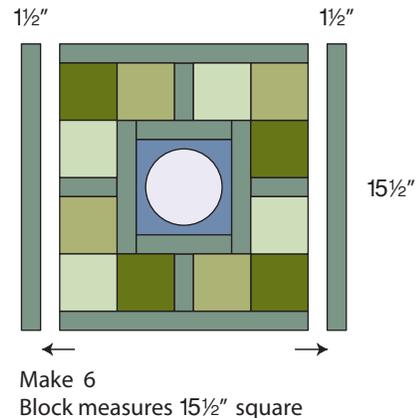

4. Sew one unit from step 2 between two different 3 1/2" Fabric D squares. Press. Make twelve using different fabric combinations.

5. Sew one unit from step 3 between two units from step 4 as shown. Press. Make six using different fabric combinations.

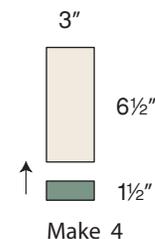

6. Sew one unit from step 5 between two 1 1/2" x 13 1/2" Fabric C strips. Press seams toward Fabric B. Sew this unit between two 1 1/2" x 15 1/2" Fabric C strips as shown. Press. Make six Patchwork Block. Block measures 15 1/2" square.

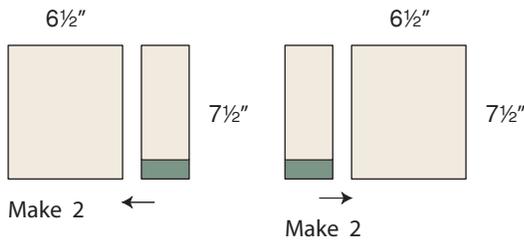

Making the Quilt

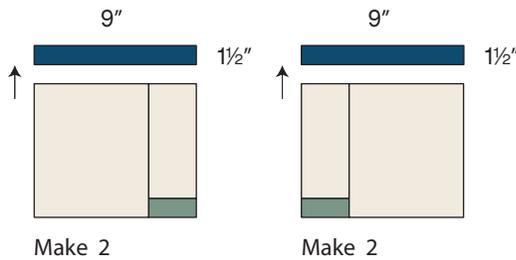

1. Sew one 6 1/2" x 3" Fabric E piece to one 1 1/2" x 3" Fabric C piece as shown. Press. Make four.

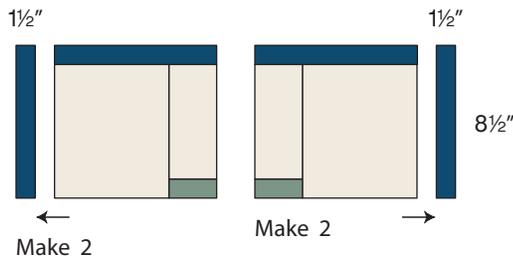

2. Sew one 6½" x 7½" Fabric E piece to one unit from step 1 as shown. Press. Make four, two of each variation.

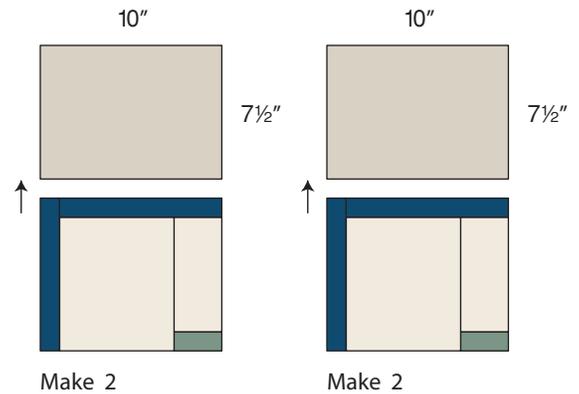

3. Sew one 1½" x 9" Fabric F strip to one unit from step 2 as shown. Press. Make four, two of each variation.

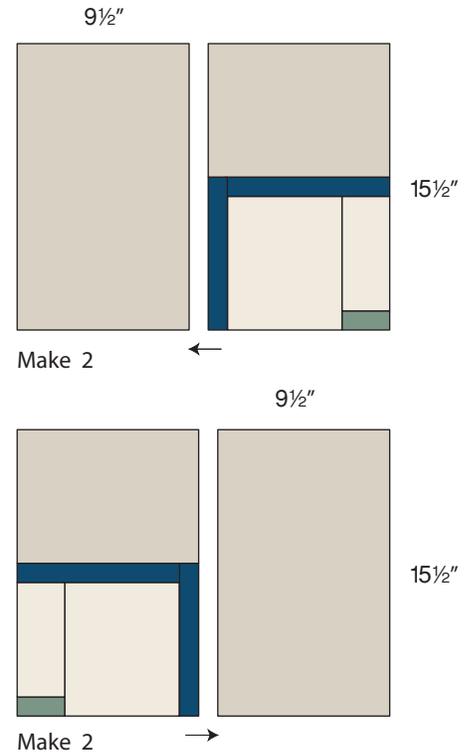

4. Sew one 1½" x 8½" Fabric F strip to one unit from step 3 as shown. Press. Make four, two of each variation.

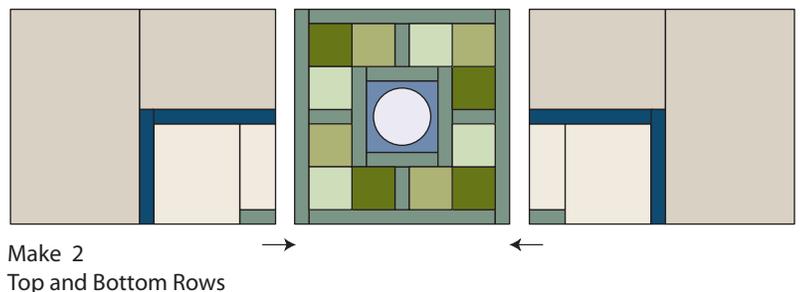

5. Sew one 7½" x 10" Fabric G piece to one unit from step 4 as shown. Press. Make four, two of each variation.

6. Sew one 15½" x 9½" Fabric G piece to one unit from step 5 as shown. Press. Make four, two of each variation.

7. Sew one Patchwork Block between two units from step 6, one of each variation as shown. Press. Make two. This is the top and bottom rows.

Accurate Seam Allowance Tip

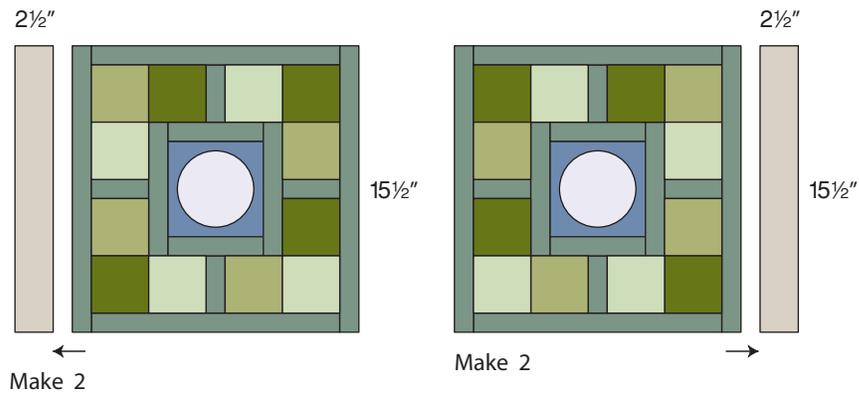

Use a ¼"-wide seam allowance for this project. If seam allowances differ as little as ⅛" assembling blocks will be difficult, especially when incorporating several block designs in one quilt.

- Cut three 1½" x 6" strips of fabric from assorted scraps. Sew pieces together lengthwise to make one 3½" x 6" pieced unit.

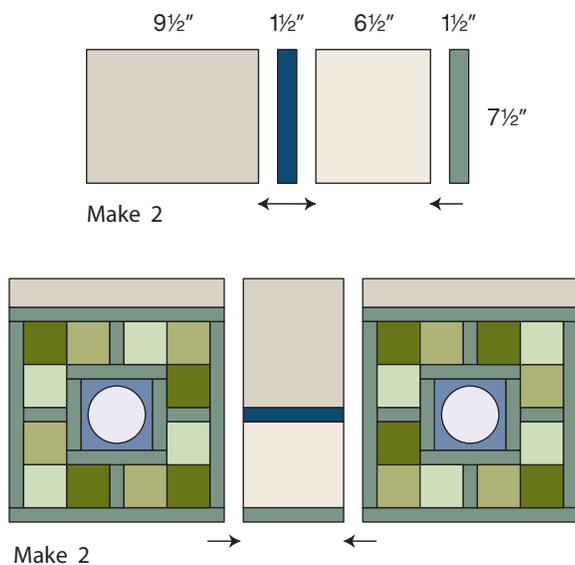

- Center strip should measure 1" x 6" and the two sidepieces should measure 1¼" x 6". If unit measures differently check to see if seams have been pressed flat. If the piece still differs cut new strips and adjust seam allowances until you achieve the perfect seam.

Make 2
Top and Bottom Rows

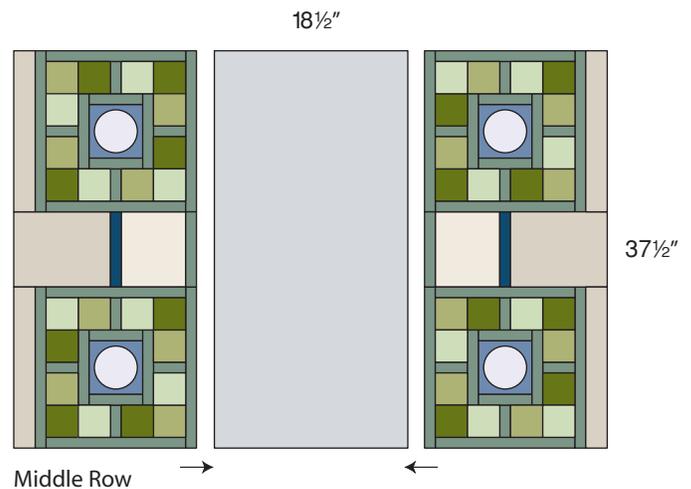

8. Sew one $15\frac{1}{2}'' \times 2\frac{1}{2}''$ Fabric G strip to one Patchwork Block as shown. Press. Make four, two of each variation.

9. Arrange and sew together one $7\frac{1}{2}'' \times 9\frac{1}{2}''$ Fabric G piece, one $1\frac{1}{2}'' \times 7\frac{1}{2}''$ Fabric F strip, one $6\frac{1}{2}'' \times 7\frac{1}{2}''$ Fabric E piece, and one $1\frac{1}{2}'' \times 7\frac{1}{2}''$ Fabric C strip as shown. Press. Make two. Sew one unit from this step between two units from step 8 as shown.

10. Sew one $18\frac{1}{2}'' \times 37\frac{1}{2}''$ Fabric A piece between two units from step 9 as shown. Press. This is the middle row.

11. Referring to layout, sew the middle row between top and bottom row. Press. Sew $2\frac{1}{2}'' \times 42''$ Fabric G strips end-to-end to make one continuous $2\frac{1}{2}''$ -wide Fabric G strip. Press. Measure quilt from side to side. Cut two $2\frac{1}{2}''$ -wide strips to this measurement. Sew to top, and bottom of quilt. Press seams toward border. This completes the center of the quilt.

Adding the Borders

1. Sew $1\frac{1}{2}'' \times 42''$ Fabric F strips end-to-end to make one continuous $1\frac{1}{2}''$ -wide Fabric F strip. Press. Measure quilt from side to side. Cut two $1\frac{1}{2}''$ -wide strips to this measurement. Sew strips to top and bottom of quilt. Press seams toward border.
2. Measure quilt through center from top to bottom, including borders just added. Cut two $1\frac{1}{2}''$ -wide Fabric strips to that measurement. Sew to sides of quilt and press.
3. Referring to steps 1 and 2 to join, measure, trim, and sew $7\frac{1}{2}''$ -wide Fabric H strips to top and bottom of quilt, and $6\frac{1}{2}''$ -wide Fabric H strips to sides of quilt. Press.

Finishing the Quilt

1. Cut backing fabric piece into two equal pieces. Sew pieces together to make one $80'' \times 96''$ approximate backing piece. Press and trim backing to measure $75'' \times 96''$.
2. Press backing and quilt top trimming all excess threads. Layer and baste backing, batting, and quilt top together. Hand or machine quilt as desired.
3. Use $2\frac{3}{4}''$ -wide Fabric C strips to bind quilt as desired.
