## Luxor - JEWEL Colorstory

### Fabric and Supplies Needed

*Fabric amounts based on yardage that is 44" wide.*

Color	Fabric	Name/SKU	Yardage	Color	Fabric	Name/SKU	Yardage
	A	KM-16282-201 JEWEL	2/3 yard (one panel)		E	SRKM-16290-14 NATURAL	1/2 yard
	B	SRKM-16290-201 JEWEL	2-1/8 yards		F	SRKM-16289-78 PEACOCK	1/2 yard
	C	SRKM-16289-201 JEWEL	1 yard		G	SRKM-16284-201 JEWEL <i>* includes binding</i>	1-1/4 yard
	D	SRKM-16287-70 AQUA	1-1/4 yard		H	SRKM-16285-201 JEWEL	2-1/4 yard
<p>Copyright 2016, Robert Kaufman For individual use only - Not for resale</p>				<p>You will also need: 5 yards for backing or 2-1/4 yards of Wide Backing</p>			

## Cutting Instructions for Jewel Colorstory

### **From Fabric A, fussy cut:**

one 22-1/2" x 40-1/2" panel

### **From Fabric B, cut:**

four 1-1/2" x WOF strips. Trim to yield:

two 1-1/2" x 40-1/2" side sashing strips

two 1-1/2" x 24-1/2" top/bottom sashing strips

eight from Template 1 eighteen from Template 4

### **From Fabric C, cut:**

six from Template 2

two from Template 3

two from Template 3, reversed sixteen from Template 5

two from Template 6

two from Template 6, reversed

### **From Fabric D, cut:**

four from Template 7

six from Template 2

two from Template 3

two from Template 3, reversed sixteen from Template 5

two from Template 6

two from Template 6, reversed

### **From Fabric E, cut:**

twenty-four from Template 8

### **From Fabric F, cut:**

twenty-eight from Template 8

### **From Fabric G, cut:**

Four 2" x length of fabric strips centering on design to allow continuous pattern when sewn together end to end. This should leave about 32" in fabric width

Four 2" X remaining width of Fabric (WOF) centering on design to allow continuous pattern when sewn together end to end.

Nine 2-1/2" X remaining WOF for binding

### **From Fabric H, cut:**

Four 3-1/2" x Length of fabric strips. Fussy cut as much as possible as in illustration along the length so that each strip is identical. Trim to yield:

two 3-1/2" x 60" strips

two 3-1/2" x 78" strips

## Assemble the Quilt Center

**Step 1:** Sew the Fabric B side sashing strips to the sides of the center panel. Press seams toward the sashing. Sew the Fabric B top/bottom sashing strips to the center panel. Press seams toward the sashing.

## Assemble the Pieced Borders

*Top/Bottom Borders*

*Side Borders (Shown rotated)*

**Step 2:** Sew the Template 1, 2 and 3 pieces together as illustrated. Sew into diagonal columns first, then sew the diagonal units together to form the top border, which measures 12-1/2" x 24-1/2". Press all seams open. Repeat to sew the bottom border.

**Step 3:** Sew the Template 4, 5 and 6 pieces together as illustrated. Sew into diagonal columns first, then sew the diagonal units together to form one side border, which measures 12-1/2" x 42-1/2". Press all seams open. Repeat to sew the remaining side border.

**Step 4:** Sew the side borders to each side of the quilt center, noting the fabric placement in the Quilt Assembly Diagram.

## Assemble the Corner Blocks

**Step 5:** Sew together six Fabric E and seven Fabric F pieces from Template 8 pieces along the longest edge, alternating fabrics and beginning and ending with a Fabric F piece. Press all seams to the darker fabric. Repeat to make four curved fan units.

**Step 6:** Fold and finger press a crease in the center of the curves for the Template 7 and 9 pieces and the inner and outer curves of the curved fan unit from Step 5.

**Step 7:** Sew a Template 7 and 9 piece to the curved fan unit, pinning at the center creases, ends and at several midpoints in between. Clip the seam allowance along the curve and press to one side. Repeat to make four 12-1/2" square Corner Blocks.

**Step 8:** Sew a Corner Block unit to either end of the top pieced border from Step 2, noting the orientation of the fabrics in the Quilt Assembly Diagram. Press toward the Corner Block. Repeat to complete the bottom pieced border.

**Step 9:** Sew the Step 8 border units to the top and bottom of the quilt. Press seams open.

### Assemble the Mitered Borders

**Step 10:** Sew a 2" x 60" strip to one long side of a 3-1/2" x 60" strip to create the top mitered border. Press seam toward the darker fabric. Repeat to create the bottom mitered border.

**Step 11:** Sew a 2" x 78" strip to one long side side of a 3-1/2" x 78" strip to create a side mitered border. Press seam toward the darker fabric. Repeat to create the second side mitered border.

**Step 12:** Center and pin one 60" top border to the quilt top, with the 2" strip on the mitered border next to the quilt center. Sew the border, starting and stopping 1/4" from each end of the quilt top. Repeat for three other edges, using the 78" lengths for the side borders. Secure all stitching ends.

**Step 13:** Fold the quilt diagonally, right sides together and align two of the borders directly on top of each other. Note: these borders are cut longer than necessary. You will trim them after sewing the mitered corner.

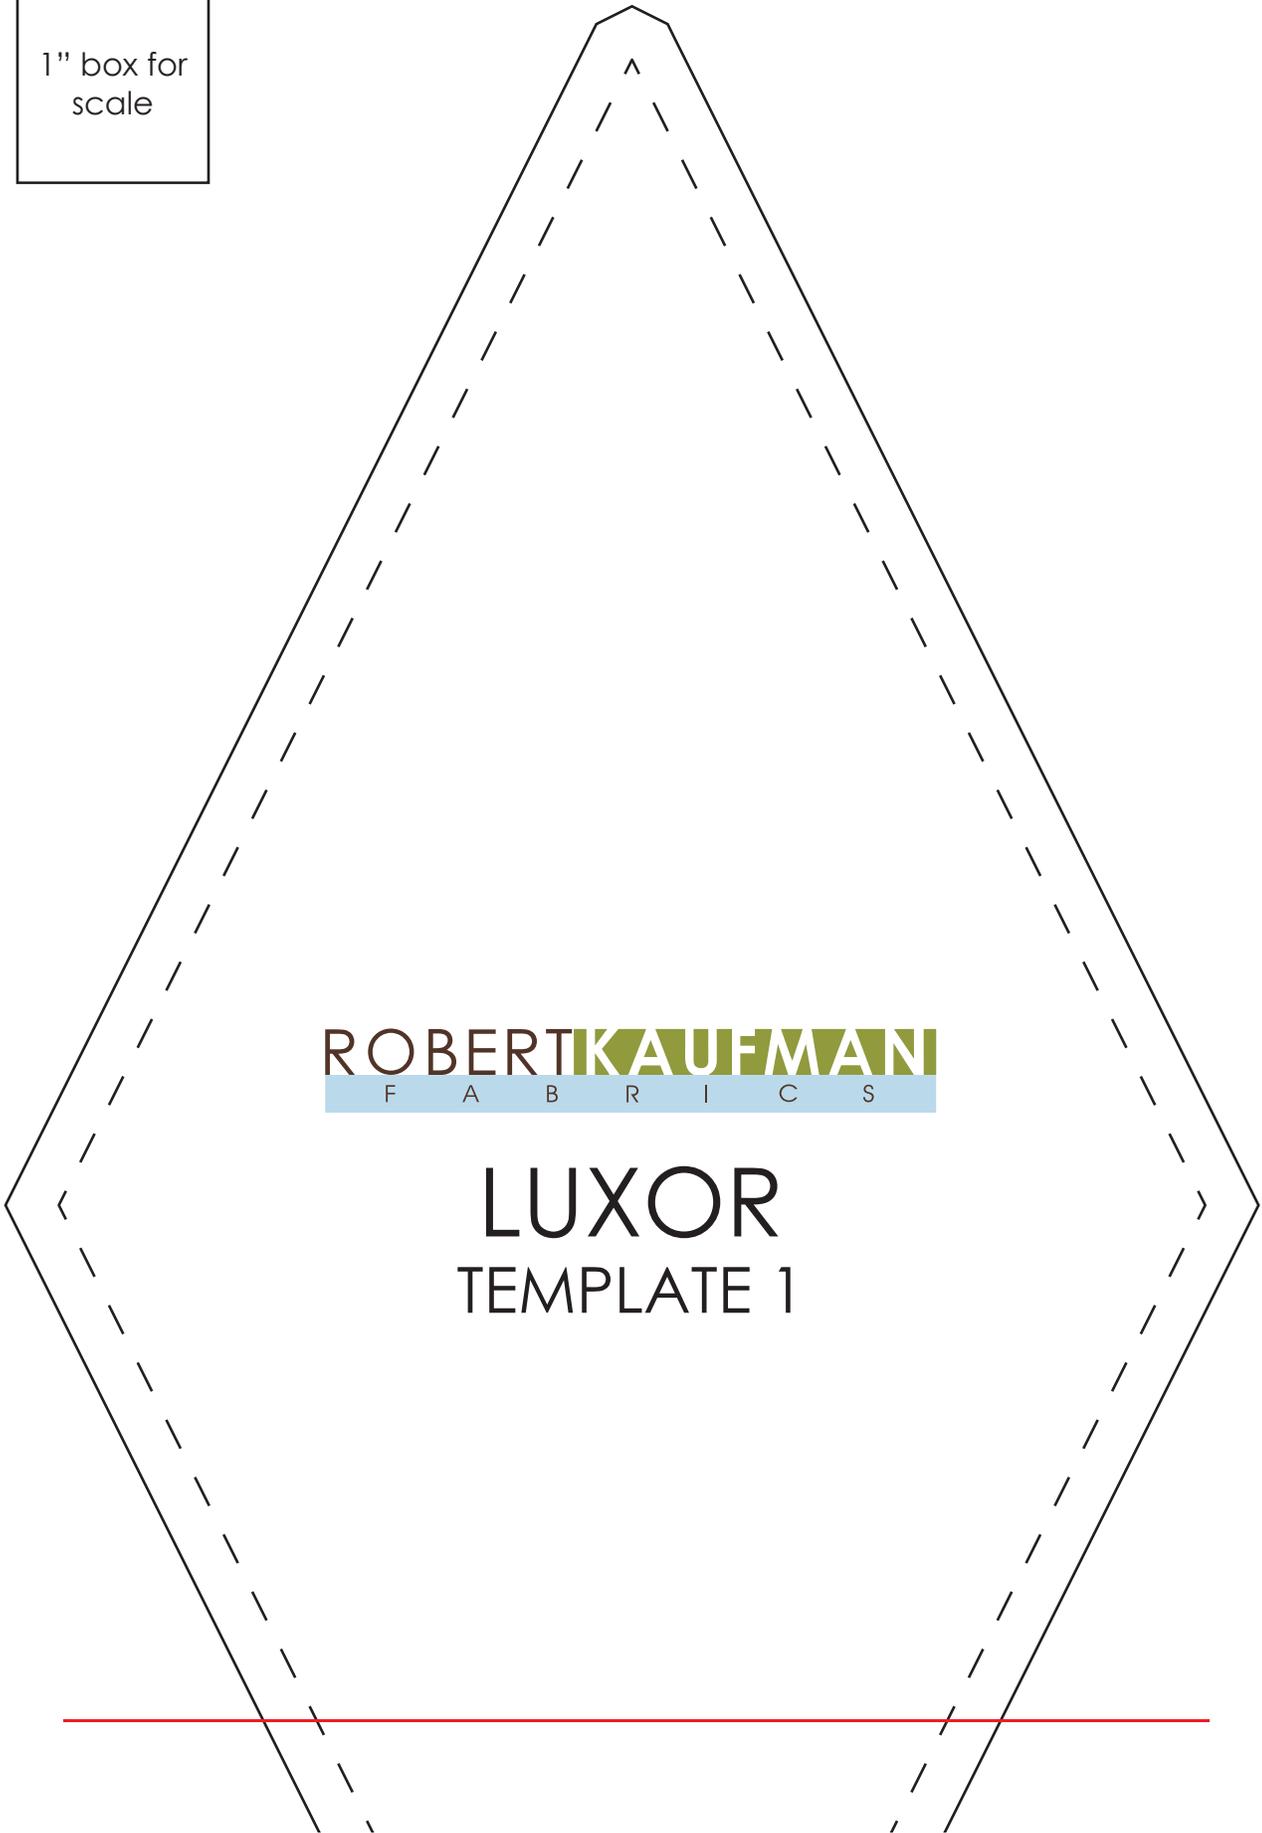

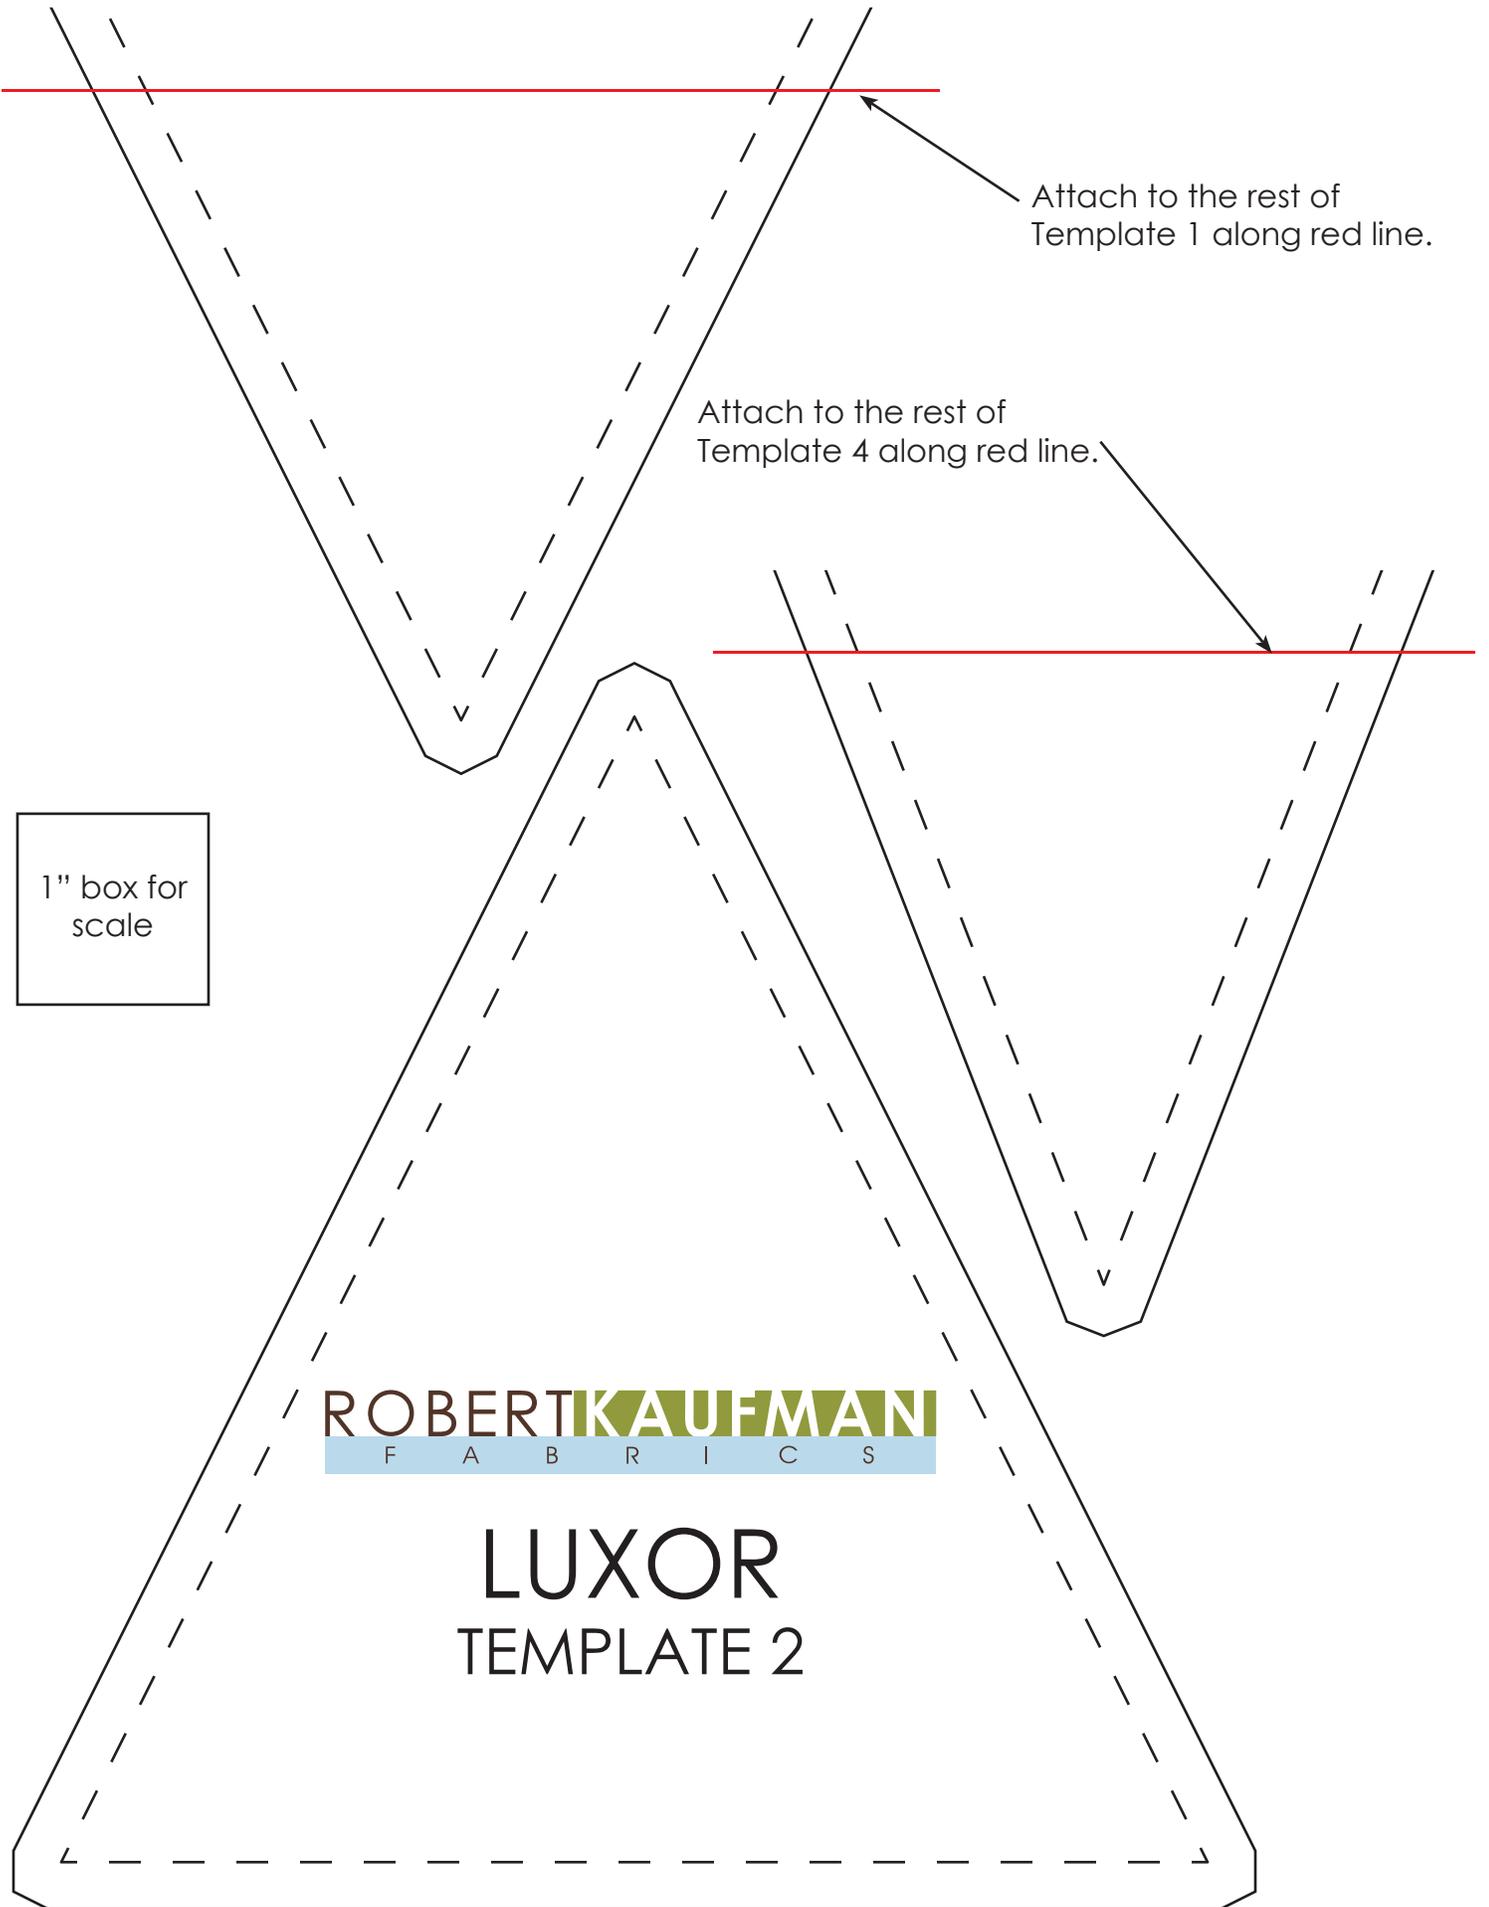

**Step 14:** Working from the wrong side, use your ruler to draw a line from the folded corner of the quilt through the borders. The line should continue the line created by the folded edge of the quilt. Stitch on this line, securing at each end. Repeat at all four corners. Check to be sure border and quilt lie flat. Now, trim off excess border at 1/4" beyond the seam line you have sewn. Press seam allowances open.

Your quilt top is now complete! Baste, quilt, bind and enjoy!
