

Hana Bashi Imperial Bed Quilt

94½" x 94½"

This quilt features the
Hana Bashi Fabric Line.

Cutting the Fabrics

Referring to project Cutting Chart, cut First Cuts strips as indicated in chart then cut smaller pieces listed under Next Cuts from these strips. Refer to Hana Bashi Lattice Templates for cutting pieces from Fabric G and H strips. Fabric F 4¼" squares are cut twice diagonally to make background lattice triangles.

*Yardages listed are for regular cuts if "Fussy Cutting" extra yardage will be needed. Amounts will vary depending on motif selection and fabric repeats.

Backing- 8½ yards

Batting- 102" x 102"

Lightweight Fusible Web & Stabilizer- 1 yard of each

Hana Bashi Bed Quilt

Before you begin read all instructions. Referring to project Cutting Chart, cut First Cuts strips as indicated in chart then cut smaller pieces listed under Next Cuts from these strips. Use an Accurate Seam Allowances and Assembly Line Method to construct this quilt. Use a $\frac{1}{4}$ "-wide seam allowance throughout this project. Press seams in direction of arrows as indicated in each diagram.

Making the Blocks

The block for this quilt uses both Half-square Triangle technique (step 1) and Simple Triangle Technique (steps 3 & 4).

1. Making Half-Square Triangel units, draw a diagonal line on the wrong side of one 7" Fabric C square. Place marked square and one 7" Fabric D square right sides together. Sew a scant $\frac{1}{4}$ " away from drawn line on both sides, cut on drawn line, and press. Make eight. Trim squares to $6\frac{1}{2}$ " to make sixteen half-square triangle units.

2. Sew two units from step 1 as shown. Press. Make eight. Sew two of these units together. Press. Make four.

3. Making Simple Triangle units, draw a diagonal line on the wrong side of four $2\frac{1}{2}$ " Fabric D squares. This will be your sewing line. Place marked squares on one unit from step 2 as shown. Stitch on drawn line, trim $\frac{1}{4}$ " away from stitch lines and press. Make four.

4. Making simple triangle units, sew two $4\frac{1}{2}$ " Fabric B squares to one $4\frac{1}{2}$ " x $8\frac{1}{2}$ " Fabric C piece as shown. Press. Make sixteen.

5. Sew one unit from step 4 between two $4\frac{1}{2}$ " x $2\frac{1}{2}$ " Fabric B pieces as shown. Press. Make eight. Sew one unit from step 3 between two of the units from this step. Press. Make four.

6. Sew one unit from step 4 between two $4\frac{1}{2}$ " x $6\frac{1}{2}$ " Fabric B pieces as shown. Press. Make eight. Sew one unit from step 5 between two of the units from this step. Press. Make four. Block measures $20\frac{1}{2}$ " square.

Making the Lattice Blocks

1. Using Hana Bashi templates cut appropriate numbers of pieces for each pattern from fabrics.

2. Sew one short Fabric H piece between two Fabric F triangles as shown. Press. Make ninety-six. Sew one large Fabric G piece between two units from this step as shown. Press. Make forty-eight. Unit measures $5\frac{1}{2}$ " square.

3. Sew one short Fabric G piece between two Fabric F triangles as shown. Press. Make ninety-six. Sew one large Fabric H piece between two units from this step as shown. Press. Make forty-eight. Unit measures $5\frac{1}{2}$ " square.

4. Arrange and sew together two units from step 2 and two units from step 3 as shown. Press. Make twenty-four, these lattice units will be used in Assembling the Quilt.

Adding the Appliqué

The instructions given are for Quick Fused Appliqué Method, select your prefer method. Note: It is recommended to use removable stabilizer on the wrong side of the fabric when machine appliquing. This will give stability to the piece, even stitching, and prevent puckering of fabric.

1. Trace sixteen of each size, 4" and 3" circles on paper side of lightweight fusible web leaving $\frac{1}{2}$ " space between pieces. Cut approximately $\frac{1}{4}$ " away from trace line.

2. With fusible web paper-side up, fuse to wrong side of fabric scraps following manufacturer's instructions. Cut on traced line.

3. Fuse one 4" Fabric F circle and one 3" Fabric D circle to one $5\frac{1}{2}$ " Fabric E square. Finish all appliqué edges with machine satin stitch or decorative stitching as desired.

If using Hand Applique Technique add $\frac{1}{4}$ " seam allowance to circle templates below.

Assembling and Finishing the Quilt

1. Arrange and sew four circle units and three lattice units together as shown. Press. Make four.

2. Arrange and sew together four lattice units, two $20\frac{1}{2}$ " Fabric A squares, and one block as shown. Press. Make two.

3. Arrange and sew together four lattice units, two blocks, and one $20\frac{1}{2}$ " Fabric A square as shown. Press.

4. Referring to layout arrange and sew together rows from steps 1, 2, and 3. Press.

5. Cut backing fabric piece into three equal pieces. Sew pieces together to make one $103'' \times 120''$ approximate backing piece. Press and trim to backing to measure $103'' \times 103''$.

6. Layer and baste backing, batting, and quilt top together. Hand or machine quilt as desired. Bind quilt as desired.
