## Completing the Quilt

Use a $1 / 4$ " seam allowance for all stitching. Press all seams as directed. Refer to the exploded quilt diagram on the next page throughout the following steps.

1. Draw a diagonal line from corner to corner on the wrong side of the 4 " magenta squares.
2. Place marked squares right sides together on opposite corners of each quilter square. Sew on the lines. Trim seam allowance $1 / 4$ " out from the stitching. Press the triangles open with seam allowance toward the triangles.
Repeat on the remaining corners of each square to complete (4) $71 / 2^{\prime \prime} \times 71 / 2^{\prime \prime}$ corner units.

Corner Unit - Make 4
3. Sew 2 3/4" x $351 / 2$ blue print strips to the sides of the panel. Press seams toward the strips. Stitch $23 / 4^{\prime \prime}$ x $271 / 2^{\prime \prime}$ strips to the top and bottom to complete the $271 / 2^{\prime \prime} \times 40^{\prime \prime}$ framed panel. Press seams toward the strips.
4. Stitch each border stripe strip between 2 same-length magenta strips to make 2 each $71 / 2^{\prime \prime} \mathrm{x} 40^{\prime \prime}$ and $71 / 2^{\prime \prime} \mathrm{x}$ $271 / 2^{\prime \prime}$ strips. Sew the longer strips to the sides of the framed panel. Press seams toward the framed panel.
5. Sew a corner unit to each end of the 2 remaining pieced strips to make the $71 / 2^{\prime \prime} \times 411 / 2^{\prime \prime}$ top/bottom borders. Press seams toward the corner units. Stitch to the top and bottom of the panel section to complete the 41 1/2" x 54" quilt center. Press seams toward the borders.
6. Sew the $31 / 2^{\prime \prime} \mathrm{x}$ WOF blue print strips short ends together to make a long strip. Press seams to one side. Cut into 2 strips each 54 " and $471 / 2^{\prime \prime}$. Stitch the $54^{\prime \prime}$ strips to the sides of the quilt center and the $471 / 2^{\prime \prime}$ strips to the top and bottom to complete the top. Press seams toward the strips.
7. If using $44 / 45$ " backing fabric, remove the selvage edges from the backing pieces. Join the pieces on the long edges with a $1 / 2^{\prime \prime}$ seam allowance. Press seam open. Trim to make the 63 " x $75 "$ backing piece.
8. Layer the top with the backing and batting pieces. Quilt as desired. Trim batting and backing even with the top.
9. Join the light blue hand-dye binding strips on the short ends with diagonal seams to make a long strip.
 Press seams in one direction. Press the strip in half along the length with wrong sides together. Bind the quilt edges using your favorite method to complete the quilt.
