## Completing the Quilt

*Use a 1/4" seam allowance for all stitching. Press all seams as directed. Refer to the exploded quilt diagram on the next page throughout the following steps.*

1. Stitch each multi dragon scales strip between 2 same-length black strips to make (2) each 10 1/2" x 41 1/2" top/bottom stripe borders and 10 1/2" x 28" side stripe borders. Press seams toward the brown strips.
2. Sew the (2) side stripe borders to the sides of the framed panel. Press seams toward the framed panel.
3. Stitch 10-1/2" dragon stones squares to the ends of the remaining (2) stripe borders to make the 10 1/2" x 61 1/2" top/bottom borders, paying careful attention to the positioning of the dragon stones squares. Press seams toward the 10 1/2" squares. Sew the borders to the top and bottom of the panel section to complete the 61 1/2" x 48" quilt center. Press seams toward the borders.
4. Sew the 3 1/2" x WOF black strips short ends together to make a long strip. Press seams to one side. Cut into 2 strips each 67 1/2" and 48". Stitch the 48" strips to the sides of the quilt center and the 67 1/2" strips to the top and bottom to complete the top. Press seams toward the strips.
5. If using 44/45" backing fabric, remove the selvage edges from the backing pieces. Join the pieces on the long edges with a 1/2" seam allowance. Press seam open. Trim to make the 82" x 82" backing piece.
6. Layer the top with the backing and batting pieces. Quilt as desired. Trim batting and backing even with the top.
7. Join the dragon scales binding strips on the short ends with diagonal seams to make a long strip. Press seams in one direction. Press the strip in half along the length with wrong sides together. Bind the quilt edges using your favorite method to complete the quilt.
