## Completing the Quilt

*Refer to the Exploded Quilt Diagram throughout the following steps.*

1. Sew four of the 1" x WOF" natural strips short ends together to make a long strip. Press seams to one side. Cut into (2) 42-1/2" strips and (2) 31-1/2" strips. Stitch the longer strips to the long sides of the quilt center and the shorter strips to the top and bottom. Press seams toward the strips.
2. Stitch the 1-1/2" x 43-1/2" night sky strips to the long sides of the quilt center and the 1-1/2" x 33-1/2" night sky strips to the top and bottom. Press seams toward the strips.
3. Sew the remaining four 1" x WOF" natural strips short ends together to make a long strip. Press seams to one side. Cut into (2) 45-1/2" strips and (2) 34-1/2" strips. Stitch the longer strips to the long sides of the quilt center and the shorter strips to the top and bottom. Press seams toward the strips.
4. Center and stitch the 12 1/2" x 75" night sky strips to the long sides of the panel center, beginning, ending and securing stitching 1/4" from the corners of the center. Repeat with the 12 1/2" x 63" night sky strips on the top and bottom. Miter corners using your favorite method, checking to be sure that all corners lie flat. Trim mitered corner seams to 1/4" and press open. Press border seams toward the night sky strips.

5. Stitch the 2-1/4" x 70-1/2" night sky strips to the long sides of the quilt center and the 2-1/4" x 62" night sky strips to the top and bottom. Press seams toward the strips to finish the quilt top.
6. If using 42" backing fabric, remove the selvage edges from the backing pieces. Join the pieces on the long edges with a 1/2" seam allowance. Press seam open. Trim the edges to make a 78" x 90" backing piece. The seam will be side to side on the back of the quilt (top to bottom for directional backing fabric).
7. Layer the quilt top with the backing and batting pieces. Quilt as desired. Trim batting and backing even with the top.
8. Join the two 2-1/2" x 93" and two 2-1/2" x 81" binding strips on the short ends with diagonal seams to make a long strip. Press seams in one direction. Press the strip in half along the length with wrong sides together.
9. Bind the quilt edges using your favorite method to complete the quilt.
