Piecing Instructions:

**Please refer to the quilt image and the layout diagram on the next page to accurately arrange the pieces for the quilt top. Because of the directionality of the fabric, it is necessary to carefully check the orientation of each piece before sewing in place.*

1. Sew two "C" strips together to form one long strip. Cut the length of the strip down to 36 3/4".
2. Repeat to make a total of two long strips. Label: "C".

This quilt is made up of the center panel and a variety of borders.

1. Sew one "A" piece to each long side of the "center" piece.
2. Sew one "B" piece to the top and one to the bottom of the "center".
3. Sew one "C" piece to the "A" piece on each long side of the quilt top.
4. Sew one "D" piece to the top edge and one to the bottom edge of the quilt.
5. Sew "E" to the top edge of the quilt.
6. Sew "F" to the bottom edge of the quilt.

Finishing:

1. Layer the quilt top with the batting and backing and quilt as desired.
2. Trim the backing and batting 1/4" **past** the quilt top.
3. Sew the binding strips end to end with a diagonal seam to form one long strip.
4. Press the strip in half, lengthwise, wrong sides together.
5. Sew to the quilt front, matching the raw edges of the binding with the edge of the batting (**not** the quilt top), with a **1/2"** seam allowance, mitering the corners.
6. Turn the binding to the back and stitch in place.

Enjoy your quilt!
