Completing the Quilt

Use a 1/4" seam allowance for all stitching. Press all seams as directed. Refer to the exploded quilt diagram on the next page throughout the following steps.

1. Sew the 2 1/4" x 35" brown strips to the sides of the large panel. Press seams toward the strips. Stitch (2) 2 1/4" x 38 1/2" strips to the top and bottom to complete the 38 1/2" x 38 1/2" framed panel. Press seams toward the strips.
2. Stitch each border stripe strip between 2 same-length brown strips to make (4) each 11 1/2" x 38 1/2" stripe borders. Press seams toward the brown strips.
3. Sew (2) stripe borders to the sides of the framed panel. Press seams toward the framed panel.
4. Stitch 11-1/2" small squares to the ends of the remaining (2) stripe borders to make the 11 1/2" x 60 1/2" top/bottom borders, paying careful attention to the positioning of the stripe in the bottom border. Press seams toward the 11 1/2" small squares. Sew the borders to the top and bottom of the panel section to complete the 60 1/2" x 60 1/2" quilt center. Press seams toward the borders.
5. Sew the 3 1/2" x WOF brown texture strips short ends together to make a long strip. Press seams to one side. Cut into 2 strips each 66 1/2" and 60 1/2". Stitch the 60 1/2" strips to the sides of the quilt center and the 66 1/2" strips to the top and bottom to complete the top. Press seams toward the strips.
6. If using 44/45" backing fabric, remove the selvage edges from the backing pieces. Join the pieces on the long edges with a 1/2" seam allowance. Press seam open. Trim to make the 81" x 81" backing piece.

7. Layer the top with the backing and batting pieces. Quilt as desired. Trim batting and backing even with the top.
8. Join the light brown texture binding strips on the short ends with diagonal seams to make a long strip. Press seams in one direction. Press the strip in half along the length with wrong sides together. Bind the quilt edges using your favorite method to complete the quilt.
